SUBJECT.

Re, the revision of the Establishment of the ~~C~~ Chattram at Maddur.

From

The Deputy Commissioner, Mysore District

Letter No. 424, dated 23rd April 1907.

Govt in their Pro: No. 3957- 64½, dated 17th March 1906, directed that the system of issuing raw rations should be discontinued, and ~~that~~ feeding should be revived in all the Muzrai Annachattrams in the State. The Deputy Commissioners of Districts were therefore requested to report on the existing establishment ~~of each~~ of the Chattrams in which the raw ration system prevailed as well as on the small additional establishment required in consequence of the revival of the system of dispensing cooked food therein

File No. of Muzrai Secretariat.

The Deputy Commissioner of the Mysore District now submits his report regarding the Chattram at Maddur. He says that the present Chattram establishment costs Rs 17/- per mensem, and proposes for purposes of reducing feeding, that an establishment consisting of a Sarpatagar on Rs 6/-, a cook and Parichavak on Rs 6/- and a sweeper on Rs 2/- may be entertained for the Maddur chattram and that a Parichavak may be appointed for the Sivapura Chattram on Rs 3/-, the total cost aggregating Rs 17/-. He further says that the Sub Divisional Officer recommends that the latter Chattram, viz that at Sivapur may be converted into a Musafirkhana and handed over to the Local Board, and that he concurs in that opinion

The Deputy Commissioner adds that Rangappa, the present Parichavak of the Maddur Chattram, is a Prathana sakhi by caste and that Brahmins take objection to take meals cooked by him and moreover that he does not bear good character and that complaints are received against him from time to time. He therefore recommends that his services may be dispensed with.

Muzrai Secretary's Remarks:—

Although in the general order issued in March 1906 directing the revival of feeding in all the Chattrams in the State, the Chattram at Maddur is included, still the circumstances of Maddur Chattram are peculiar. The town of Maddur has declined in importance in recent years and there is no building for holding a Chattram there, and the construction of a new Chattram building had to be put off for want of funds. At present, therefore, merely raw rations are given to the few pilgrims chiefly Byragees who resort to the place. There seems to be no necessity for reviving feeding and entertaining an additional establishment therefor. The granting of raw rations may

go on as usual.

The Chattram at Sivapur which was built some time back from Muzrai funds is very largely frequented by travellers proceeding by rail, to Malavalli Kollegal and so on. To provide ample accommodation to such persons is very desirable and the existing accommodation has even to be increased. The Muzrai Department finds it difficult to keep up both the Chattrams at Maddur and Sivapur out of the Tasdik of the single Chattram at Maddur and therefore the proposal to make over the building at Sivapur to Local Fund Board seems a good one. The building may accordingly be transferred to that Board on the distinct understanding that they should keep it in good repair and also bear the entire cost of its up-keep besides increasing the accommodation to travellers as far as possible.

The existing establishment entertained at Sivapur may be dispensed with.

I do not consider it necessary to revive feeding at the Madras Chatram. The system of issuing raw rations may continue.

The Chatram building also is in appn. maybe to suspend to the Distt Board for purpose of a Musafarkhana

Proceedings of the Government of His Highness the Maharaja of Mysore
Muzrai, dated 17th March 1906.

No. 3957-64½, dated Bangalore, 17th March 1906.

ORDER.—Complaints having been received against the introduction some years ago, of the system of issuing raw rations in some of the Muzrai annachattrams in the State, where feeding was formerly conducted, the operations of the Deputy Commissioners of the Chitaldrug, Bangalore, Mysore, Tumkur and Kolar Districts in which the raw ration chattrams were situated, were drawn attention to, and they were at the same time requested to report how the system was working in their districts. From the replies received it is observed that in the chattrams in question, the system operates as a great hardship to pilgrims who generally prefer to have cooked food rather than ration as they can not, during their halt, command the necessary conveniences for cooking. It is observed that a larger number can be fed within a given cost if cooked food is given instead of if raw provisions are given. In these circumstances, all the Deputy Commissioners consulted are in favor of the revival of the old and time honored system of giving cooked food, which is more advantageous and more economical to the institutions were originally started. The Government accordingly direct that

In the matter of the execution of the terms of such contracts, the Government are pleased to direct that the Deputy Commissioners of the districts mentioned in the first column of the table below shall be the Local Muzrai Authorities in all the chattrams in the State.

3. The Deputy Commissioners of the Mysore, Tumkur, Bangalore and Chitaldrug Districts are requested to report at an early date on the existing establishments in the chattrams named in the above paragraph as well as the small additional establishment, if any, that may be required for the revival of feeding.
